## NCA-National Conference 2007

If you have never had the opportunity to attend one of the annual conferences, THIS IS THE YEAR TO DO IT! The New England Chapter is hosting this year's conference in beautiful Newport, Rhode Island. It is certain to be one of the best conferences ever! The annual conference is always a great time to meet & network with concierge as well as affiliates around the country. The days are filled with informative speakers and educational sessions, the nights are filled with fun! The Gala held on the last evening is a fabulous event with the annual awards ceremony, including the "Chapter of Year Award". Could it be the NEVADA CHAPTER this year?? Stay tuned...

More information regarding conference details will be coming out in the next month & registration will start soon.

## Presidents Message

I was at a networking event recently where I had the pleasure of hearing Robin Jay speak. For those of you that don't know, Robin is an expert in building business relationships while having lunch. One of the things Robin said really made me think. She was talking about how we do business with the people we like & care about. Which makes me wonder how much we all take the time to really get to know one another on a personal level. I think it should be a goal of every NCA-NV Chapter member to get to know as much as possible about your fellow NCA members this year. I'm going to start this off by telling you a little about myself... I've been married for 16 years to a great guy, I have two boys 10 & 13 who I love dearly, have a crazy Jack Russell - Dexter, I'm the pickiest eater you'll ever know, I'm a bit of a germophobe, not much of a public speaker, love the ocean, originally from OKC, lived in Las Vegas for 20 years, I've been a concierge for 5 years and I LOVE WHAT I DO!

Now it's your turn...I'd love to know a little more about you...

~ Julie Ulrich

**Ronald McDonald House**

We had the pleasure of bringing a home cooked meal to the Ronald McDonald House for the families that live in the house while their child is in the hospital. These families spend most of their days by the side of their sick child's bed, so seeing friendly faces & enjoying a hot meal is a wonderful treat. We met the most adorable young lady (shown below with Debbie Kaye), Juliana, who was going in for her 3rd brain surgery the following day. Her spirit was amazing...we had a hard time keeping up with her!! We'll soon be planning another charitable event for Ronald McDonald House as well as other charities. So, if you're interested in getting involved, contact Debbie Kaye @ 946-9493

**Congratulations!**

We'd like to congratulate Michael Printy on his new position as Chef Concierge at Park Towers. Michael relocated from San Antonio to Las Vegas 5 years ago & most recently served as concierge at WorldMark by Wyndham. We wish you much success, Michael!
